450 INTERVENTION PLUS ASSESSMENT PRACTICUM HOURS
DOCTORAL CANDIDATE IN AN APA-ACCREDITED ACADEMIC PROGRAM

APPLICATION REQUIREMENTS

1. APPIC APPLICATION (available at the APPIC Web Site: <http://www.appic.org/>)
2. APPIC ACADEMIC PROGRAM'S VERIFICATION OF INTERNSHIP ELIGIBILITY AND READINESS (completed by Academic Director of Training)
3. LETTERS OF RECOMMENDATION FROM PATIENT-CARE OR RESEARCH PRACTICUM SUPERVISORS

There should be letters from each site in which you completed 400+ practicum hours (including support hours). We are primarily concerned with your functioning in a patient care setting. Recommendations from professors who know you only from your course work are not as valuable. If you cannot provide a letter from a site in which you completed 400+ practicum hours, please include an explanation within your cover letter.

4. HINES APPLICATION ADDENDUM (available on our Home Page)
5. OFFICIAL GRADUATE TRANSCRIPT (no copies)
6. CURRICULUM VITAE

(When listing practicum experiences, be sure to include the site name, dates, total number of hours, and your supervisor's name and degree.)

7. PERSONAL INTERVIEW BY INVITATION

Notifications for January interviews are mailed by December 12.
(If you are an applicant who needs to make airline reservations or other accommodations before December 15, please make sure all application materials are in our hands at least 1-2 weeks before our deadline. Attach a letter to your application materials requesting an early review of your completed file, and the date by which you need to know our decision for an interview.)
